

Rothbury Parish Council is a small rural council situated in the Coquet Valley. The Parish Council administers the Joint Burial Committee on behalf of Rothbury, Thropton, Snitter, Whitton & Tosson, Hesleyhurst and Hollinhill parishes. The Parish Council raises a precept of £110641 in respect of the business of Rothbury Parish Council including the sum of £40641 raised to discharge the responsibilities of the Joint Burial Committee. The overall Joint Burial Committee precept is £57,000 with the constituent Parish Council's transferring their Burial precept to Rothbury Parish Council. There is one anomaly in this, being Snitter, who do not have a Parish Council, but contribute to the Burial precept via the County Council transferring the funds to the Parish Council.

The Parish Council is looking to appoint an Internal Auditor for 2024-2025 of relevant qualification and experience who can demonstrate a developed understanding of the work of a Parish Clerk and Responsible Finance Officer in a rural council with similar responsibilities as Rothbury.
